

STATE TREASURER OF OHIO

It is with great pleasure that I, Josh Mandel, Treasurer of Ohio, recognize

MENTAL HEALTH AMERICA of LICKING COUNTY

for its outstanding commitment to advancing financial literacy education.

Mental Health America of Licking County's dedication to community financial wellness makes it a valuable asset to the city of Newark and to the State of Ohio. Through the use of innovative tools, Mental Health America has ensured that Licking County has access to quality, practical personal finance resources. As a champion of financial wellness, Mental Health America of Licking County is positively impacting our communities by preparing Ohioans for economic opportunity which is vital to Ohio's future.

It is important that hard work and integrity be honored. Therefore, I am proud to recognize Mental Health America of Licking County for its devotion to financial education and commitment to building a stronger Ohio. I wish you many years of continued success.

JOSH MANDEL
TREASURER OF OHIO
